

A Word from the President

This has been a year of consolidation and foundation building.

Last year, our first, EPCA exploded onto the English Quebec education stage and was right away thrust into the role of a major star. This was, in no small way, due to the credentials of our founding Directors and the initiative they took in seceding from the QFPC so that the English sector would have its own voice.

This, our second year, has been a time of introspection and of examining our foundational values and our goals.

This is not to say that nothing has been accomplished. Aside from the steps forward mentioned in other articles in this newsletter, including the growth in our numbers from six School Boards to eight with the joining of Lester B. Pearson and Eastern Shores, we are now in a time of relationship-building. This process is well under way and critical links are being cemented between EPCA and the other players on the English education scene.

With the coordinated effort of each member of your Board of Directors, the future appears to hold untold promise. EPCA definitely has a role to play and we are united in our drive to make it happen.

EPCA in Quebec City

EPCA had the opportunity to be in Quebec City for two very important events:

Bill 103: Following the General Council in June 2010 where the topic of discussion was the Bill 104 and 103, the President of EPCA, Jacques Thériault, was invited to present the Brief on Bill 103 in September 2010 to the Committee on Culture and Education at the National Assembly.

Forum EHDA (Handicapped Students and Students with Social Maladjustments or Learning Disabilities) in Quebec City, October 25, 2010. EPCA was invited by MELS to participate in this Forum for Special Needs. A brainstorming session was held in the weeks preceding the Forum which allowed the EPCA to define its position and defend the interest of the parents and children that we represent to the Minister of Education, Recreation and Sports, M^{me} Line Beauchamp.

The student enrolment for the year 2010-2011 is as follows

Central Quebec School Board	4,544
Eastern Shores School Board	1,202
Eastern Townships School Board	5,383
English Montreal School Board	21,239
Lester B. Pearson School Board	23,526
Littoral School Board	590
New Frontiers School Board	3,755
Riverside School Board	9,265
Sir Wilfrid Laurier School Board	14,032

Funding

For the 2009-2010 school year, 6 English School Boards were part of the EPCA. EPCA received a \$45,000.00 grant from MELS.

Since 7 School Boards were part of EPCA in 2010, we expect to receive a more generous grant from MELS as the funding is prorated to the number of students enrolled in our School Boards.

We represent 8 School Boards or 94% of students for 2011-2012.

Two new School Boards join the EPCA:

The Lester B. Pearson School Board (LBPSB) officially joined the EPCA in May of 2010.

The Eastern Shores School Board (ESSB) officially joined on May 30, 2011.

Office Personnel

We are happy to announce that Patricia Willis is the EPCA administrative assistant.

CEGEP Overcrowding

EPCA's response to CEGEP overcrowding: In April of 2011, a letter was sent to The Minister of Education, M^{me} Line Beauchamp, on the subject of CEGEP overcrowding in the English sector. Among other things, the EPCA stated that it would like to see a long term solution to this recurring issue.
